

2004-2006
ARTICULATION AGREEMENT
INTRODUCTION

This Articulation Agreement has been developed by Mount St. Mary's College and Chaffey College. Its purpose is to help the prospective Mount St. Mary's student plan a course of study that will facilitate a more effective transfer into Mount St. Mary's College. Mount St. Mary's College accepts a maximum of 66 transferable community college units that may be applied toward the units required for a baccalaureate degree. This Agreement contains three sections:

Section I - lists relevant information about MSMC General Studies Requirements. The General Studies requirements at MSMC include five areas: Communication Skills; Analytical Skills; Arts & Sciences; Modern Language, Religious Studies and Philosophy. Listed under each area are equivalent courses offered at San Diego Mesa College.

Section II - Lists lower division courses within five major areas selected by MSMC Admission and Advisement offices for Articulation due to their complexity. These five majors are Biological Sciences with emphasis in Pre- Physical Therapy, Business, English, Nursing, and Social Work.

Section III- lists lower division courses within the Liberal Studies major, selected by the Education Department for articulation. Students interested in a Liberal Studies major at MSMC should disregard section I and II.

Please refer to the MSMC Catalog or contact the Associate Director of Transfer Admission in the Admission Office at MSMC for a complete list of required lower division courses for majors not listed in this Agreement.

This Agreement is based upon the 2004-2006 Mount St. Mary's College Catalog and the 2004-2006 Chaffey College Catalog and is subject to review/revision at the discretion of the Advisement/Registrar Offices.

Mount St. Mary's College (MSMC) offers an integrated program of Teacher Preparation. Students take courses toward their baccalaureate degree (in Liberal Studies) and courses in education concurrently.

Students considering transferring to Mount St. Mary's College are encouraged to retain copies of syllabi and course assignments. A Liberal Studies Portfolio documenting the study of each of the above listed subject areas is required for the major. Transfer students are encouraged to obtain a passing score on the CBEST (California Basic Education Skills Test) and to take CSET (California Subject Examination for Teachers). A passing score on the CSET may allow for course substitutions within the required areas of study. Contact the Liberal Studies Coordinator for additional information, 213-477-2628.

California Credential requirements are subject to and are currently in the process of change pending direction from the California Commission on Teacher Credentialing (CCTC). These changes take precedence over the MSMC catalog, as well as any other MSMC information.
