## ARTICULATION AGREEMENT

### INTRODUCTION

This Articulation Agreement has been developed by Mount St. Mary's College and Rio Hondo College. Its purpose is to help the prospective Mount St. Mary's student plan a course of study that will facilitate a more effective transfer into Mount St. Mary's College. Mount St. Mary's College accepts a maximum of 66 transferable community college units that may be applied toward the units required for a baccalaureate degree. This Agreement contains three sections:

Section I - lists relevant information about MSMC General Studies Requirements. The General Studies requirements at MSMC include five areas: Communication Skills; Critical Thinking; Arts & Sciences; Modern Language, Religious Studies and Philosophy. Listed under each area are equivalent courses offered at Rio Hondo College.

Section II - lists lower division courses within five major areas selected by MSMC Admission and Advisement offices for Articulation due to their complexity. These five majors are Biological Sciences with emphasis in Pre-Physical Therapy, Business, Child Development, English, and Nursing.

Section III - lists lower division courses within the Liberal Studies major, selected by the Education Department for articulation. Students interested in a Liberal Studies major at MSMC should disregard sections I and II.

Please refer to the MSMC Catalog or contact the Senior Assistant Director of Transfer Admission in the Admission Office at MSMC for a complete list of required lower division courses for majors not listed in this Agreement.

This Agreement is based upon the 2002-2004 Mount St. Mary's College Catalog and the 2002-2003 Rio Hondo College Catalog and is subject to review/revision at the discretion of the Advisement/Registrar Offices.
